What do you see as the future of Women's Council? Womens Council is quickly evolving and becoming more relevant to our members. We have just completed our State Strategic Plan, and the focus is member centric, and that excites me.

What are the most important issues facing us today? Staying relevant, cutting edge, providing value to a very large demographic.

What "words of wisdom" would you give to new members? Come and get involved with an attitude of serving, and you will receive so much more than you could ever give. Each day Choose Joy!
