

Can you believe another year has come and gone ALREADY?

A huge thank you to the 2015 Officers for their time, service and many contributions that they have so generously donated to Women's Council. Our "Team" – Area B (Local Chapters, Led by dedicated Local Chapter Presidents" include: Brazos Valley – Amy Supak, LCP; Central Texas – Stephanie Nash, LCP; Collin County – Mary Nelson, LCP; Dallas County – Janna Schick, LCP; Dallas Metro East – Melinda Epps, LCP; Greater Tarrant County – Peggy McCready, LCP; Heart of Texas – Donna Hazlewood, LCP; SW Dallas – Betty Mendoza, LCP; Tyler Chapter – Amanda Davis, LCP; You are what make our organization great.

Area B's 2015 focus has been on Membership and what it can do for you, the Member. Relevant real estate, community information and personal growth topics to help empower our Membership was and is the goal. Personal Safety, Awesome Marketing, City Leaders, Appraisal and Lender panels are just a few of the timely and informative programs that were presented throughout the Chapters. These programs were attention getters that encouraged Members to attend and participate. Attendance and New Membership increased within all Chapters. Keep up the Excellent Work

October being "Breast Cancer Month" brought several Local WCR Chapters and their Communities together in a big way. Fundraisers were held by several of our Chapters to benefit Breast Cancer Charities and their related Organizations. As a result, Thousands of Dollars were raised and hundreds of people were helped within our local communities. Job Well Done!

As another successful year comes to an end and preparations begin for the New Year ahead. I would like to thank each and every one of our Members, Affiliates and Sponsors for their support and contribution to Women's Council of Realtors. You are valued and appreciated.

Congratulations to all our incoming 2016 officers you will be awesome.

It has been my privilege to serve as the 2015 Governor for Area B. Thank you for the opportunity to work with such outstanding people. I'm looking forward to what the new year will bring to this wonderful organization.

Renee Coulson
Governor Area B.
