Governing Board Meetings

The Hilton Hotel, Galveston Island.

Good Morning Madame President, officers, members and guests.

This is the last time I will appear before you to report on these chapters in 2016 and I would like to take this opportunity to share that it has been my pleasure to work with these chapters. They are dynamic and creative with their resources and funds. It's been impressive to watch them plan events with local businesses and use the resources they have at hand. This is a quality group of leaders.

WCR Collin County

Is currently at 73 members. Vice President of Membership, Chellie Feathers-Meziere has had a great year. Their most recent membership event held July 28th was titled "An Inspired Taste of WCR". The food and beverage tasting had a give-away and a photo booth! Great fun was had. Those who brought a realtor guest had a chance to win a wine tasting experience at a local Wine bar called Cru.

WCR Dallas

is currently at 85 Members. Omeshi Owens is the vice president of membership. Omeshi set up a chapter membership contest running June

9th through August 11th. Anyone who brought a realtor or national affiliate had an opportunity to win one of two prizes.

Membership team hosted a Memorial Day Mixer at a members listing. There was food, drinks and a live dj.

There was a Continuing Education event on August 24th that was used as a membership event to attract new members. It was called Up and Away with Cloud CMA.

They are very excited about their upcoming events- they've partnered with Kendra Scott at the Plaza at Preston Center and are hosting an event next week, on September 12th. Members are asked to bring guests and it is to be used as a recruiting mixer. 20% of the proceeds will benefit Women's Council of Realtors Dallas.

Their annual High Tea is scheduled for October 7th. This is a big event held at Belo Mansion. Members put this event on for guests and it's a huge recruitment fundraiser for WCR Dallas.

WCR Dallas Metro East

Currently at 26 members. Rodney Rowan is the vice president of membership. Rodney worked hard on their latest Membership mixer and New Member welcome. It was held in neighboring town, Rockwall at The Mellow Mushroom on June 30th.

Rodney asked me to tell all of you WCR Dallas Metro East has voted on their new line and he plans to take a year off and enjoy just being a member. 2017 is the first year in a long time there won't be any fellows on the line.

WCR Greater Tarrant County

is now at 32 members. They have had a super busy summer. They had their first membership event of the summer on June 28th. It was a cooking demo at Classic Wine Storage. On August 25th there was a Wine tasting mixer held at Wine Haus after their voting meeting to elect their 2017 line. Huge excitement is surrounding their next two events- a vendor fair in September, which their Vice President of Membership Camee Ponder is hoping to get several new members and their thrilling Members Only event on October 7th which will be a ghost wine tour through the Stockyards.

WCR Southwest Dallas

Is currently at 36 members. Working hard to accomplish their goal to have 40 by years end. They had their summer mixer in conjunction with Bloomfield homes at one of their models. 2 Realtor members and 3

national affiliates joined as a result. Affiliates sponsored everything so there was no cost to WCR Southwest Dallas. They are planning another with Bloomfield, at a different model for September. Their target is Ellis County, a close sector to Southern Dallas that they don't pull a lot of members from.

This concludes my report. It is my pleasure to serve.
