

**Texas State President-Elect Report**

**Respectfully submitted by Nancy Garcia**

What a busy start to this great year!

In February, at the Austin WCR/TAR Conference, our members across the State had an opportunity to reconnect, learn, and make new relationships for their personal and business growth.

I am so proud of our local Chapter leaders this year! What an amazing group of motivated, dedicated Real Estate Professionals! Our local Chapters are working diligently to provide outstanding and value add programs that are attracting such positive attention throughout the State! And as a result of this hard work, our membership is growing!

Women's Council also has the attention of TREPAC! On Friday, February 5<sup>th</sup>, WCR hosted the TREPAC Casino event, "Shaken not Stirred". This was a wonderful opportunity to network with TAR attendees and support a worthy industry cause. WCR raised over 14K for TREPAC and the State was recognized for our continuous efforts and contribution at the WCR Awards luncheon on that that Saturday.

At the WCR Awards Luncheon, many of our members were recognized for their continued support of our industry, servant leadership and business success! Our members throughout the State, credit WCR for being the catalyst for their organization and leadership skills.

This year, I have the honor to work with the Local Chapter President Elects. We are working together to ensure business goals are exceeded and planning for next year! What a stellar group of leaders! We are learning so much from each other! That is what WCR is all about!

**On a last note, I personally want you all to mark your calendars for the next WCR Texas Orientation in San Antonio! The orientation will be from September 29<sup>th</sup> through October 2<sup>nd</sup>. The plans are to ensure that the training you receive will assist your Chapter leaders in their next role. WCR is all about the planning, preparation and execution!**

**If you would like to help in anyway, please contact me! I am looking for members to assist at the event with training, hosting, sponsorships, and providing day to day event support. Let us make this an Orientation to remember!**
