

What can I say? It's been a fast and furious 1<sup>st</sup> quarter. We started our year out with a bang and everyone in attendance at the TAR Winter Meetings. Between trying to take the notes, run the projector, receive the committee reports and motion after motion, I found myself sweating it out during our Governing Board meeting, but alas, all of our great Committee Chair's, Governors, District Vice Presidents and YOU, the membership putting your talents into play & it all turned out well.

I will have to say that there have been many tasks keeping your Executive line busy. 6,813 words so far just in minutes alone! From the new budgets, changes to our Standing Rules (who's counting those?), motions being made, etc. I am finding that WCR State is a busy place and I'm thrilled to be a part of it!

I was especially impressed with our members. From people that stood up and accepted leadership positions, helping others with their tasks and charges, it was heartwarming. Truly it was.

I want to Thank each and every one of you for getting your reports in on time & local Chapter Secretaries for uploading your Chapters information. All of the "generational" folders have been created and all local line Officers should have access to those folders. I'm excited to see how this new project progresses, but helps our future leaders in the upcoming years! Thanks for your input and everyone that comes together for the common good of ALL OF US-WCR!
