

Area B-4 1st Quarter 2016 Report

Brazos Valley, Jill Jones, VP Membership

Can you believe that the first quarter of 2016 is well on its way to a close. to grow that in 2016 in the Brazos Valley. We need each of you to help us on some exciting things that we have coming up. We are having some great business resource meetings this quarter...*Planning & Zoning, Sharpen Mix & Mingle Skills, Time Management Tips...*

We had 11 new members join and a lucky new member won an ipad in February. We raised chapter funds in March with a BARROW of CHEER (wheelbarrow of booze). Next month we will be drawing for a FREE lunch for the rest of the year.

Central Texas, (Business Resource Group) Lisandra Rozzi

On April 7th we're limiting the seating to 75 seats because of the amount of Sponsored money that is committed for this event, if we go over then we either need to get another sponsored or it coming from Central TX WCR funds and we did not budget this year to put on an event like this. Since we are rebuilding our Chapter, we need to charge for our upcoming events and hold fundraisers to build up for upcoming leadership training and in the future we can host FREE mixers or Lunch and Learn classes. Wine Pull Event, March 18th is Sold Out!

Heart of Texas, Kara Neely-Goble, Membership, Recruiting

Chapter is working diligently to update their administrative and accounting documents. Should be hearing from them soon.

Tyler, Collin Paugh, Membership Chair

We started the year at 48 members, and through retention efforts and new members we are now at 58 with 2 more that should join soon. Our goal was to be at 60 by end of first quarter.

We had a membership mixer last month that was well attended (see photos)

We had our regular luncheon last month as well (see photos) that Tyler Mayor Martin Heines gave a State of the City address. This week we had our first of our quarterly new member orientations (see photos)

We have a luncheon on social media do's and don'ts coming up next Wednesday the 16th, and another luncheon (legislative update with Sen. Ted Cruz's office along with a TREPAC report from our local TREPAC rep) coming up next month on April 20th.

Respectfully submitted,

Mary L. Nelson,
2016 DVP, Area B-4
