

**Area A, District 2 Chapters:
Cameron County, Abilene, El Paso Del Norte, McAllen**

It has been a pleasure to serve as your 2015 Area A, District 2 TDVP. Serving at the state level is a very rewarding experience. You make business and personal connections not only from all over the state, but also from around the nation. The best part was to get to know and work with the membership department of each chapter in the area. These individuals rocked the house with all the membership mixers and membership drives. They also helped spread the word about their local chapters by helping organize fundraisers, education meetings, traveling to the state and national conventions, and being involved in their community.

I am very proud of each and every one of you, Area A chapters. You have held your chapter to a high standard and have planted the seed for the next leaders to continue the chapter success.
